

BFDI CEO Appointed by Governor Whitmer

Alice G. Thompson, Chief Executive Officer of Black Family Development, Inc. and Chair of The Albert Schweitzer Fellowship Advisory Board, has been appointed by Michigan Governor Gretchen Whitmer to serve on Detroit Wayne County Health Authority Board of Directors. The mission of Authority Health is “To coordinate efforts to improve population health of residents of the City of Detroit and Wayne County by assuring access to care.” The organization’s core values are access, accountability, diversity, partnership and prevention.
